REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: claims 1 – 21 are allowed. The prior art of record failed to teach a method and apparatus for determining a difference between a signal level from the transmission line and signal level from the other node while driving a plurality of data symbols into a transmission line while simultaneously driving the plurality of data symbols into another node, and applying the difference to signal input of a variable offset comparator and applying one of plurality of binary values to offset control input of the comparator to adjust the variable reference level prior to the comparator performing the comparison.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
